Christian N. Heausler, Reg. No. 50,771

This request must be signed in compliance with 37 C.F.R. § 1.33(b) and submitted with the application **upon filing**.

Applicant may rescind this nonpublication request at any time. If applicant rescinds a request that an application not be published under 35 U.S.C. § 122(b), the application will be scheduled for publication at eighteen months from the earliest claimed filing date for which a benefit is claimed.

If applicant subsequently files an application directed to the invention disclosed in the attached application in another country, or under a multilateral international agreement, that requires publication of applications eighteen months after filing, the applicant **must** notify the United States Patent and Trademark Office of such filing within forty-five (45) days after the date of filing of such foreign or international application. **Failure to do so will result in abandonment of this application (35 U.S.C. § 122(b)(2)(B)(iii)).**

The inventor in the above-identified application is of an age to accord "special status" to the application. In support, Applicant shows as follows:

### SUPPORT

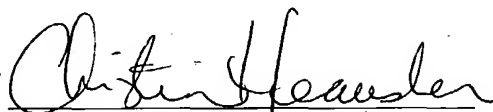

Applicant Maurine Pearson, inventor in the above-identified application, is over 70 years of age as evidenced by the attached copy of her driver's license.

### CONCLUSION

For the reasons stated above, Applicant requests that the Petition to Make Special be granted and that the Application be examined on an expedited basis.

Respectfully submitted,
